We would like to invite you to become a member of the Grand Turismo Omologato (GTO) Association of PA. We are insured and incorporated, as well as an official chapter of the GTO Association of America. We hope you will participate in a club that is dedicated to the preservation of all stock, modified and custom GTO's, Firebirds, Tempests, LeMans' as well as ALL OTHER PONTIACS.

Our chapter was formed in July, 1989 and has over 100 members and is continuing to grow in both service and membership. We hold monthly meetings the 2nd Thursday of each month at 7:30pm at the old Bethlehem Twp. Municipal Building, Bethlehem PA. We also may meet at other locations as published in our monthly newsletter **WIDE TRACKING** and our website. We also have picnics, our own car show at Star Pontiac Buick GMC, go to cruises, rent Island Dragway for all Pontiacs and much more. We publish a monthly newsletter in which you can advertise up to 50 words free and we have our own website at www.gtopa.com.

Our Tech Advisors give free advice on all GTO, Firebird, Tempest and LeMans questions. Attendance at meetings is not mandatory but appreciated as business is more easily conducted.

Membership dues are \$25.00 annually. Benefits include voting rights, monthly newsletter, 10% discount on parts at Star Pontiac Buick GMC, discount at National Auto Stores, Tech seminars and more.
